TWAIN cardboard box	470 / 18.5	470 / 18.5	20 / 0.8	1.8 / 4

Designed in 2025 by Dmitry Kozachyshyn. The TWAIN seat pad adds extra comfort to either the single color or double color version of the TWAIN chair. It is made of a dense base, foam padding, and covered with waterproof PVC fabric.

The seat pad can be easily attached to the chair using sew-on hook and loop fastener tape, while its wide color palette allows it to harmonize with the chair's finish.
